**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is essential for broadband to be affordable and fast for all consumers. There should never, NEVER be only 1-2 ISPs for any one neighborhood which would result in higher prices and worse service. Please do everything necessary to ensure competition and lots of options for consumers. Thank you!
